 - i. This includes groups who have previously been members but are no longer a part of IFC due to expulsion, chapter closure, Institute or IFC judicial action, or failure to complete requirements for membership.

2. Eligible Fraternities

- b. The ERB will be assembled at the request of the Fraternity Advisor or IFC Executive Committee for one or both of the following reasons:
 - i. To respond to the request of an interest group to start a fraternity who is not currently a member of IFC.
 - ii. To explore the possibility of expanding IFC membership without a preexisting interest group.
- c. The ERB will be responsible for:

- ii. Leading and assisting interest groups through the requirements of membership in IFC
- iii. Making recommendations to the General Assembly as to the membership of an Interest Group, Colony, or Chapter into IFC.
- d. The ERB at any time may recommend that a group in the expansion processes be terminated from membership in IFC if the group does not meet deadlines or other requirements as outlined in the Expansion Policy.
 - i. The group may be removed from IFC with a majority vote of the general assembly upon recommendation of the ERB.

4. Interest Groups

- a. An Interest Group must be formed as the first step to establishing a fraternity on campus.
 - i. Unless granted an exception by the Executive Committee, Interest Group membership must be at least 25 total members (not including officers), all of whom must be full-time students of Georgia Tech and in good standing as defined by the Institute.
 - ii. The Interest Group's cumulative GPA must be at or above Fraternity Average as calculated in the semester preceding the formation of the Interest Group (excluding summer semesters), or 2.85, whichever is higher, and remain at that level during the expansion process.
- b. The Interest Group must contact the Fraternity Advisor for direction and guidance before proceeding in attempting to establish a fraternity.
- c. The Fraternity Advisor will notify the IFC Executive Committee of the formation of an Interest Group, and the Executive Committee will appoint an Expansion Review Board to lead and assist the Interest Group through the requirements of membership in IFC.
 - i. The ERB will make a final recommendation to the Executive Committee regarding the admission of the Interest Group for membership in IFC.

 - i. A majority vote in favor of expansion is required to allow the process to continue.
 - ii. If approved, the chapter will become an official Interest Group in IFC.
 - iii. Interest Groups may only petition for official standing one time per semester.
 - iv. Only one Interest Group may be active within IFC at any time.

 - vi. Priority will always be given to fraternities who have previously been Full Members of IFC.
- e. Once approved, the Interest Group may begin the expansion process.

- vii. A list of current members including signatures signifying membership and leadership in the Group
- g. The ERB will evaluate the Interest Group's preferences and approve, deny, or suggest modifications (including choosing a different fraternity) to the request of the Group. The ERB decision is final. The ERB decision will be based on
 - i. Information received by the Interest Group,
 - ii. Feasibility of supporting another chapter through IFC and Institute resources,
 - iii. Availability of housing for the chapter. Although not a determining factor, without competitive housing it is highly unlikely that any new group will survive.
- h. If approved, the Interest Group may begin the colonization process with the fraternity approved by the ERB.
 - i. If suggestions are made by the ERB, the group will have 60 days to comply (or longer as determined by the ERB).

 - ii. The Interest Group must have met all requirements of becoming an Associate Member within 12 months of becoming an Interest Group or it will be automatically dropped as a colony and must restart the expansion process.

6. Chartering

- a. Associate membership will continue until the Colony receives a national charter, for a period not to exceed 18 months from the date of receiving associate membership.
 - i. Associate Members who have not received a national charter within 18 months will be automatically dropped as members of IFC and must restart the expansion process.
- b. When an Associate Member receives a national charter, the chapter must submit a petition for full membership to the ERB. The petition should include:

In the event the IFC Judicial Board rotation for service on a hearing falls upon an IFC Justice whose member chapter is involved in any way, with the alleged violation, the rotation will skip to the next member chapter in alphabetical rotation.

G. IFC Judicial Board Hearing Attendance

All IFC Judicial Board hearings shall be conducted in accordance with the following requirements:

A. All IFC Justices assigned to a hearing shall be present in order to conduct business on behalf of the IFC Judicial Board.

B. Each IFC Justice assigned to a hearing is required to attend. Failure of an IFC Justice to attend a hearing for which he was assigned shall result in his member chapter being referred to the IFC Executive Vice President for potential judicial review.

H. IFC Judicial Board Hearing Voting Policies

All IFC Judicial Board hearings shall operate utilizing the following voting policies:

A. Each IFC Justice serving on a hearing shall have one vote.

B. A majority vote shall govern all actions of an IFC Judicial Board.

I. IFC Judicial Powers and Responsibilities

Per Article VI, Section I of the IFC Constitution, the IFC shall be a peer-governing organization with an independent Judicial Board that shall have jurisdiction over cases involving alleged member chapter violations of IFC policy, including but not limited

to:

- A. The IFC Constitution, Bylaws, Code of Conduct, and policies;
- B. The rules and regulations of the Georgia Institute of Technology and
- C. The general values-based conduct of fraternity men.

J. Due Process

In appearing before the Judicial Board, each member chapter shall be granted certain rights termed “due process.” Those rights are:

- A. Right to be notified, in writing, of all charges, as outlined in the Bylaws;
- B. Right to present a defense, including the calling of witnesses;
- C. Right to question witnesses;
- D. Right to be accompanied by an advisor for advisory purposes only, but not for representation;
- E. Right to be notified, in writing, of all findings and sanctions imposed, as outlined in the Bylaws;
- F. Right to appeal the decision, as outlined in the Bylaws.
- G. Right to be free from double jeopardy.

K. Filing of Complaints

Any individual or group may file a complaint against a member chapter, specifying in writing the particular alleged acts of the accused. This must be done by submitting an IFC Judicial Complaint Form to the IFC Executive Vice President. The IFC Executive Vice President shall promptly review and investigate the allegation. Upon determination that an allegation contains information sufficient to warrant further adjudication, the IFC Executive Vice President may charge a member chapter with a violation.

L. Notification of Charges

Once the IFC Executive Vice President has determined the filed complaint has merit, the member chapter and its inter/national organization is to be provided written notification of the charges at least two weeks in advance of the hearing. This written notification shall include the following:

- A. Date, time and location of their Informal Resolution Hearing;
- B. Description of the alleged violation; and
- C. Due process rights.

M. Investigatory Evidence

All evidence related to a complaint shall be compiled and presented to all parties at least one week prior to any informal Resolution Hearing or formal Judicial Board hearing. All evidence shall be directly related to the complaint(s) alleged against the member chapter and shall be approved by the IFC Executive Vice President prior to circulation.

N. Informal Resolution Hearing

1. Upon a finding of the IFC Executive Vice President that a filed complaint contains information sufficient to warrant further adjudication, he may offer the charged member fraternity the opportunity to participate in an Informal Resolution Hearing unless he feels that potential sanctions could include suspension or loss of IFC recognition.
2. In cases in which the charged member chapter accepts an Informal Resolution Hearing, the IFC Executive Vice President shall meet with a representative of the charged member chapter to discuss the allegations of the complaint. Within three (3) business days of the Informal Resolution Hearing, the IFC Executive Vice President may dismiss the complaint with a finding of no violations, provide the charged member chapter with his finding of violations and recommendation for a resolution through disciplinary or corrective sanctions. The charged member chapter has three (3) business days to accept or reject the terms of resolution. If the charged member chapter accepts the resolution, the charged member chapter waives all rights of appeal and the outcome is final.
3. If the charged member chapter rejects offer of an Informal Resolution Hearing or the resolution, a Formal IFC Judicial Board Hearing will be convened to hear the case. Following the Informal Judicial Conference, the Advisor to Fraternities, may choose you offer the fraternity an appropriate "administrative sanction" in lieu of referral to the IFC Judicial Board for a hearing. This option may only be exercised for minor infractions. The Advisor to Fraternities shall determine whether a case qualifies for an administrative sanction. Examples of offenses for which this option is not applicable include, but are not limited to, intentional property damage exceeding \$200, incidents

resulting in bodily injury, hazing violations, and any offenses that could result in full suspension, dismissal, or expulsion from the Interfraternity Council.

4. An "Administrative Sanction Letter" form will be sent to the chapter president stating the findings of the Informal Judicial Conference and stating the proposed administrative sanction. The form must be returned by the date specified (normally within ten days) indicating whether the chapter president accepts the administrative sanction. If the chapter president accepts the sanction, he waives his chapter's right to a hearing before the IFC Judicial Board and an appeal to the Interfraternity Council or his/her designee. A chapter president can accept an administrative sanction letter without admitting guilt. Failure to complete the terms of the administrative sanction by the specified date may result in the matter being referred to the IFC Judicial Board for a hearing, where a new sanction may be imposed. If the chapter president rejects the administrative sanction or fails to return the Administrative Sanction Letter form by the specified date, the case will be referred to the IFC Judicial Board, which will issue its own findings and impose appropriate sanctions. Copies of the Administrative Sanction Letter signed by the chapter president will be distributed to the IFC President, the Advisor to Fraternities, The IFC Judicial Board, the IFC Executive Vice President, the chapter president, the chapter advisor, and other appropriate parties.

O. Prohibited Sanctions for Informal Resolution Hearing

The IFC Executive Vice President shall not recommend suspension or loss of IFC recognition through an Informal Resolution Hearing. Should the IFC Executive Vice President believe suspension or loss of IFC recognition is warranted, the case shall automatically be referred to a Formal IFC Judicial Board Hearing.

P. Formal IFC Judicial Board Hearing

- A. The charged member chapter rejects having an Informal Resolution Hearing;
- B. The charged member chapter rejects the findings and/or sanctions of the Informal Resolution Hearing
- C. The IFC Executive Vice President Affairs determines the allegation is egregious enough to warrant potential suspension or loss of IFC recognition; or
- D. The IFC Executive Vice President chose not to offer an Informal Resolution Hearing;

The IFC Executive Vice President shall convene a Formal IFC Judicial Board Hearing.

The IFC Executive Vice President will select five (5) Judicial Board justices, as predetermined by an alphabetical rotation of the member chapters, to hear the case. In the event the IFC Judicial Board rotation for service in a hearing falls upon an IFC Justice whose member chapter is involved in the alleged violation, the rotation will skip to the next member chapter in alphabetical rotation.

The IFC Executive Vice President shall serve as a non-voting Chief Justice and preside over all formal Judicial Board hearings.

The IFC Judicial Board may impose educational and punitive sanctions, as prescribed in the IFC Bylaws, but under no circumstances may it prohibit a Member Fraternity's ability to recruit.

T. Non-Status Sanctions

The IFC Judicial Board may impose sanctions that are punitive and/or educational, but not solely financial and do not restrict recruitment. Disciplinary sanctions are to be constructive in purpose.

There shall be twelve (12) primary sanctions, however other sanctions may be given as deemed appropriate by the Judicial Board. They shall be:

- xii. **Expulsion** may be recommended to the Interfraternity Council, and shall require a two-thirds (2/3) vote of the voting

delegates present at the scheduled General Assembly meeting to send the recommendation to the Student Activities Committee for action. Expulsion, if enacted by the Student Activities Committee, results in the loss of the charter as a student organization, and is for an indefinite period of time.

U. Status Sanctions

In the event of an egregious violation, the following are sanctions that may be imposed by the IFC Judicial Board for a specified period of time:

- A. Suspension: Loss of IFC voting rights and removal from good standing status, and any additional Non-Status Sanctions.

When adjudicating a potential violation that may result in suspension/loss of recognition from the IFC for the member chapter, the Judicial Board shall work collaboratively with the inter/national organization and campus.

V. Duration of Sanctions

Judicial action shall specify the duration and deadlines of any sanctions imposed. After such specified time, if the member chapter has fulfilled the requirements of the sanctions imposed, the member chapter shall return to good standing. In the event the member chapter does not fulfill all of the requirements of the sanctions imposed, the IFC Executive Vice shall convene a Formal IFC Judicial Board Hearing to determine future course of action.

W. Notification of Findings

Within three (3) business days of any Informal Resolution Hearing or Formal Judicial Hearing, the IFC Vice President of Judicial Affairs shall communicate in writing to the charged member chapter, its inter/national organization, and its chapter advisor, as well as any relevant Georgia Institute of Technology administrators, the alleged violation, the findings of the hearing, and any sanction(s) imposed.

In the event the IFC General Body votes to discuss dismissal or alteration, the IFC General Body shall determine by a two-thirds (2/3) vote to either dismiss the charge(s) with no sanctions or to alter the sanctions imposed. If two thirds (2/3) majority cannot be achieved for dismissal or alteration of the sanctions, the initial sanctions will remain in place.

The decision of the IFC General Body shall be final with no further appeal rights.

C. Hazing Policy

1. A fraternity member, who believes in true brotherhood and the ideals taught in his fraternity's ritual, could not possibly haze a pledge/associate member or brother. Every national fraternity has outlawed hazing. The State of Georgia has enacted legislation making hazing a criminal offense. The Georgia Tech administration is unconditionally opposed to any situation created to produce mental and/or physical discomfort, embarrassment, harassment or ridicule. Pledges are expected not to participate in any hazing activity, and to report immediately (anonymously if necessary) any such activities of which they become aware. Failure to report hazing is in effect giving tacit approval of it.
2. Hazing may be caused by either overt or covert coercion. When any hazing activity is suggested by a fraternity or member of a fraternity, to new or trial members, covert coercion will be established, even if the activity is said to be "voluntary".
3. Hazing is defined as any action taken or situation created, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment or ridicule. Such activities and situations include (but are not limited to):

 - b. Creation of excessive fatigue, or forced or coerced participation in calisthenics;

 - f. Public nudity;
 - g. Engaging in public stunts or buffoonery;
 - h. Morally degrading or humiliating games and activities;

- i. Late work sessions or activities that interfere with scholastic activities, including exhausting and time consuming projects that are disruptive to normal study patterns;
 - j. Tasks of personal servitude;
 - k. Physical disfigurements (temporary or permanent) including tattooing or branding (simulated or actual);
 - l. Deprivation of normal sleep (less than six uninterrupted hours per night);
 - m. Memorization of information not directly related to fraternity lore;
 - n. Forced, required, or coerced consumption of any food, liquid, or other substance;

 - v. Any other activity that is not consistent with fraternal law, ritual, or policy and regulations of Georgia Tech.
3. Hazing may be caused by either overt or covert coercion. When any hazing activity is suggested by a fraternity or member of a fraternity, to new or trial members, covert coercion will be established, even if the activity is said to be "voluntary".

D. Initiation Policy

- 1. Fraternities should follow their (inter)national fraternity's programs for new member education and initiation.
- 2. Each fraternity reserves the right to initiate before or after the term grade report has been finalized.
- 3. All candidates for initiation must be enrolled Georgia Tech students or be enrolled as co-op students on work semester. Students from other institutions may not become members of chapters that are chartered as Georgia Tech student organizations.

E. Scholarship Policy

- 1. The Georgia Tech fraternity system stands for excellence in scholarship. It seeks, as a part of the Institute, to promote diligent application to study by fraternity members, not only in order that the requirements of the Institute be met, but also that achievement above the average level may be attained. In congruence with this philosophy the Interfraternity Council has developed a policy for the promotion of scholastic achievement.
- 2. It is the immediate goal of the Interfraternity Council for each chapter to maintain a minimum grade point average that exceeds the school average.
- 3. A grade point average of 2.70 on a 4.0 scale must be maintained by each individual chapter in order to remain on good

standing.

4. Any chapter performing below 2.70 will be placed on scholastic probation and be subject to the following corrective actions:
 - a. The chapter will lose all social privileges for the next academic session (summer session is not considered as a probation period), but will be allowed to participate in Homecoming and Greek Week events.
 - b. The chapter will be unable to submit a team for the Fraternity "A" League the following academic session (summer is not considered as a probation period). Any team the fraternity enters in a "B" or independent league will not earn IFC points.

5. Probation continues until grades are received for the next grading period (summer session is not considered as a probation period).
6. If a fraternity requests grade changes after being placed on academic probation, then that fraternity remains on academic probation and should act accordingly until the new grade reports are released showing that the member fraternity's grades are above the set minimum.
7. New Member Scholarship Policy
 - a. Each fall and spring new member class (those rushees who accept a bid for the fall or spring class and remain affiliated for the entire semester), must attain a group GPA of 2.70 on a 4.0 scale. If the group fails to attain a 2.60, their chapter will be placed on a social probation for the following spring semester (except for the summer semester).
 - b. The standards for the fall and spring new member class will be 2.60 on a 4.0 scale if the chapter:
 - i. Have 75% of new members in attendance at the fall and spring Peer Education program.
 - ii. Submits and receives approval for the required scholarship program under the Minimum Standards policy.
 - iii. Has an active Faculty/Staff Advisor registered with the Office of Greek Affairs whose role and duties are defined in the chapter scholarship program.
 - iv. Has 75% of new members in attendance at an additional educational programming event designated by educational programming chairman.
 - v. All submissions must be made by the first General Assembly meeting each semester.
 - c. If a new member class fails to meet their required GPA, the fraternity must submit a plan to the IFC Executive Committee by the first General Assembly meeting of the following semester detailing what measures will be taken to improve their grades.

J. Auxiliary Organizations Policy

1. JOINT Resolution WITH PANHELLENIC COUNCIL:

WHEREAS, the Georgia Tech Panhellenic and Interfraternity Councils believe sororities, women's fraternities, and men's fraternities offer excellent opportunities for women and men to share a fraternal experience with individuals of the same sex, and

WHEREAS, opposite sex auxiliary groups, commonly referred to as "big brothers" and "little sisters", are inconsistent with the concept and philosophy of separate and equal women's and men's fraternal organizations, and furthermore existence of these groups threaten the protected, single-sex status of fraternal institutions, and

WHEREAS, the Interfraternity and Panhellenic Councils believe that these groups inhibit the accomplishment of chapter goals by:

Diverting the resources of time, effort, and money which are needed for the chapter operations and programming;
Distracting chapter members in the performance of essential duties;

Undermining the process of membership recruitment;
Inviting disharmony within the chapter;
Placing undue liability on the Greek organizations at Georgia Tech and their members; and

WHEREAS, there are equally attractive alternatives to the aforementioned auxiliary groups;

THEREFORE BE IT RESOLVED, that the Interfraternity and Panhellenic Councils believe that "big brother" and "little sister" groups are not desirable adjuncts to the collegiate chapters of the fraternal organizations at Georgia Tech; and furthermore that opposite-sex auxiliary groups will not be allowed to exist on the Georgia Tech campus after June 30, 1991.

2. Violations of this policy will be presented to and judged, as to penalties, by the appropriate judicial bodies of the Panhellenic and Interfraternity Councils. The following list includes violations of the above stated policy.
 - a. The fraternal institutions of Georgia Tech may not rush, give bids to, or initiate into an auxiliary group, members of the opposite sex and maintain the right to participate in sex-preferential rush.
 - b. The fraternal institutions of Georgia Tech may not address members of the opposite sex as "little sisters", "big brothers", "honored guests", or any other title which denotes a group organizational title associated with their institutions.
 - c. Members of the opposite sex may not attend meetings concerning chapter business unless allowed by their respective (inter)national fraternity.
3. Any person may have a standing invitation to any fraternity or sorority house. This invitation may be extended by any member of the chapter but not as a result of a chapter vote or consensus. Invited guests may not be given a title.
4. It is not the intent of this policy to stop persons of the opposite sex from spending time at fraternity and sorority houses or functions held at these houses. It is, however, the intent of this policy to eliminate the organization and structure that bind these persons of the opposite sex into an auxiliary group, thus lessening the potential liability and negative aspects presented by these groups.

K. Minimum Standards Policy

1. Purpose – The purpose of the Interfraternity Council minimum standards policy is to clearly set what each fraternity must comply with to remain in good standing with IFC. The penalties for not maintaining these levels will be clearly laid out within each standard. These are not meant to be guidelines for a chapter to determine how well they are doing, but rather guidelines for the Interfraternity Council to determine when something has gone to a point that the issue needs to be addressed. In addition to a chapter following all other outlined policies including, but not limited to, rush, social, scholarship, judicial, and any other policies outlined in the bylaws a chapter must comply in the following areas:
 - a. General Assembly meeting attendance
 - i. Attendance shall be constituted as having at least one delegate of a fraternity at the general assembly meeting.
 - ii. Each chapter will be given one free unexcused absence per semester. Each chapter will then be required to attend the remaining meetings of the semester with the exception of the summer semester. Each meeting will be announced to the chapter's president and chosen representative at the following General Assembly meeting. If a chapter fails to meet this in the fall semester they will lose their voting privileges in the spring semester. If they fail to meet this standard in the spring semester they will lose their voting privileges for the following fall semester. The only exception to this is that the chapter will be allowed to vote on any motion to amend or change the bylaws.
 - iii. Excused absences. A chapter may obtain an excused absence if they contact the Secretary or the President with a valid excuse no less than three (3) days before the scheduled General Assembly meeting. An excuse will be determined valid at the discretion of the Secretary and approved by the President.
 - b. Payment of Interfraternity Council Dues
 - i. Payment of Dues

A. All member chapters of the Interfraternity Council are responsible for payment of semester dues.

B. The total amount of these dues will be based on the number of active brothers, as well as the number of pledges at the beginning of the semester.

i. Consequences for Failed Payment of Dues

A. Failure to make payment of the semester dues on the day requested will result in a chapter receiving a warning. Following the warning, the chapter will be expected to make payments within one (1) month.

B. If a chapter fails to make payment within one (1) month of their warning, five (5) percent of the total amount due will be added to the overall chapter's dues. The chapter will be given two (2) weeks to make payment on the dues as well as the penalty.

C. If a chapter continues to neglect payment following the five percent penalty, a second penalty of seven (7) percent will be added to the overall chapter's dues. The House will be given a total of two (2) weeks to make payment on the original dues as well as the two penalties added.

D. If a chapter shows no intention of making payment on the outstanding dues, then the Executive Council will decide which Greek/social related events the chapter will be unable to participate in for the following semester.

E. Possible activities the chapter will be unable to participate in, include Homecoming events and Greek Week events and registered social events. For each week the Chapter fails to make the full payment, a Greek event will be removed from their participation status. Despite the chapter's inactivity in the events, they are still responsible for complete payment of their dues.

M. Greek Neighborhood Association Policy

1. Purpose – The purpose of the Greek Neighborhood Association (GNA) is to promote an aesthetically pleasing Greek community, facilitate facility-related programming, and encourage good relations between chapter houses within the Georgia Tech Greek sector. The GNA recognizes that the Greek sector is a prominent part of campus; therefore, the general appearance of the Greek sector is not only important but necessary.
2. The GNA will consist of the house manager or designated representative from each chapter that has an on-campus facility. The GNA will be chaired by two (2) delegates: one from the Collegiate Panhellenic Council and one from the Interfraternity Council. These delegates will be chosen according to their Council's method of selecting chair persons.
3. The Greek Neighborhood Association chairs will host meetings with house managers at least once per semester. These meetings will serve to foster appropriate communication and to create programming, which includes, but is not limited to, fire safety and risk management, house manager best practices, and open forums.
4. The Greek Neighborhood Association will enforce yard cleanliness policies seven (7) days a week, according to the following parameters:
 - a. Every yard must have a clean appearance by 7:00 AM every morning.
 - b. A clean yard is defined by an orderly appearance with the absence of excessive loose trash.
 - c. Lawn maintenance (specifically grass length) is also included in an orderly appearance. If a lawn maintenance notification is given, chapters will have three (3) days to cut grass (unless circumstances delaying this are discussed with the GNA staff advisor). Afterwards, notifications will follow the general notification guidelines model with two (2) hours equivalent to two (2) days for lawn maintenance notifications.

Infractions to these policies shall be:

- d. General Notification Model

The first written notification regarding a specific instance will be treated as the third notification in the General Notification Model and chapters will automatically be assessed a fine of \$5.00 per chapter member.

 - v. If a chapter goes two (2) months without written notifications, the chapter will drop to the next lowest tier. For example, if a chapter is currently on tier three and goes two (2) months without incident, the chapter will drop down to the beginning of tier two.
 - vi. If a chapter receives a financial sanction from these notifications and compounding issues, a chapter advisor and/or a house corporation board member will be notified in writing.
5. The Greek Neighborhood Association will enforce dumpster policies outlined by the Georgia Tech of Solid Waste Management & Recycling. The Greek Advisor will notify the house manager(s) of the issue and inform the house manager(s) of the necessary steps that must be taken to resolve the issue. Note that all house managers assigned to a dumpster are held at an equal level of responsibility to resolve the issue.

Infractions to these policies shall be:

a. General Notification Model
